

## Routing Instructions - U.S. Dollars Incoming Wire Transfer

### Receiving a Wire in U.S. Dollars (USD)

When receiving a wire in **U.S. dollars**, please complete the information on this form and provide to the sender to include on the wire instructions.

The sending financial institution will need to know specifics regarding how the wire is to be directed. Financial institutions from other countries may not be aware of our "route / transit" branch numbering. The sending financial institution will also need to know specifics regarding our international correspondent.

The wire may not reach you if any of the information below is incorrect or missing.
